About Us

More and more people are finding the help they need through the services offered at Anchorpoint Counseling Ministry. Our counseling staff provided hope and healing for 400 families in 2015. We served over 1600 people in various family constellations and provided 2,616 counseling sessions. Our volunteer tutors shared their time (over 1,700 hours) and love of teaching with 143 students (first through twelfth grade). Their dedication helped students experience academic success; many for the first time! And another 1,200 residents throughout our community benefited from our parent education workshops, parent support groups, and trainings.

The name Anchorpoint was inspired by Hebrews 6:19:

"We have this hope as an anchor for the soul, firm and secure."
