About Us

More and more people are finding the help they need through the services offered at Anchorpoint Counseling Ministry. Our counseling staff provided hope and healing for 440 families in 2016. We served over 1600 people in various family constellations and provided 2,700 counseling sessions. Our volunteer tutors shared their time (over 1,962 hours) and love of teaching with 93 students (first through twelfth grade). Their dedication helped students experience academic success, many for the first time! And another 1,200 residents throughout our community benefited from our parent education workshops, support groups, and trainings.

The name Anchorpoint was inspired by Hebrews 6:19:

"We have this hope as an anchor for the soul, firm and secure."
